Together the Natick Police Department and the Natick Board of Health are providing a safe, secure and convenient way for Natick residents to properly dispose of unused and unwanted medications.

**A pharmaceutical waste collection kiosk is located inside the lobby of the  
Natick Police Station at 20 East Central Street**

**Acceptable items are: prescription medication, pet medication,  
pills, capsules, inhalers, ointments, patches  
liquids in glass or leak proof containers**

**The kiosk is available every day, 24 hours a day, no questions asked.  
Please call 508-647-9511 if you have any questions**

This collaborative initiative addresses public safety, public health and environmental concerns. Studies show that a majority of abused prescription drugs are obtained from family & friends, including from the home medicine cabinet.

Items NOT Accepted - sharps/needles - thermometers – bloody or infectious waste  
for information about these items please call the Natick Board of Health office at 508-647-6460
