

Town of Natick
Cochituate Rail Trail Community Forum
Wednesday, May 28 7:00 PM
Morse Institute Library

Please plan to attend the Natick Cochituate Rail Trail Community Forum on Wednesday, May 28 at 7:00 PM at the Morse Institute Library.

The Natick CRT Task Force will provide an update on the status of this proposed project, and take public questions and comments. We also plan several short presentations on rail trails for informational purposes.

This event is free and open to the public. The Morse Institute Library is fully accessible.

Come to the CRT Community Forum and...

- Learn about rail trails in general
- Find out what's happening with the Natick proposal and other projects across the state
- Learn about the current status of the Saxonville Branch Right-of-Way, owned by CSX Corporation
- Ask questions
- Share your concerns and opinions
- Find out how to learn more

The Cochituate Rail Trail Task Force was established by the Board of Selectmen in September 2006. Information about the Task Force is available on the internet at www.NatickMA.gov/crt or by calling the Selectmen's office at (508) 647-6410. All meetings of the Task Force are open to the public.
