

# Natick Council on Aging Senior Man & Woman of the Year 2010 NOMINATION FORM

The Senior Man and Woman of the Year are identified annually as two individuals who best exemplify the commitments, skills and accomplishments of Natick's older citizens. Any older resident who meets the criteria is eligible for nomination by any resident, agency or organization through which he or she is known. Last year's runners-up will automatically be included with this year's nominees. Former recipients are not eligible. The Senior Man & Woman will be selected by a committee comprised of former recipients and other community agencies, with final approval by the Council On Aging Board.

We encourage you to nominate someone in your family, your neighborhood, the business world or someone who was an early inspiration to you. The criteria for nomination includes the following:

- (d) Be using their latter years effectively through continued service (paid or non-paid) or through exploring new experiences.
