The Building Official Certification Committee

New Employee Report Form

s/bbbs/nureport2021

In accordance with 780 CMR R7, the "Rules and Regulations for the Certification of Inspectors of Buildings, Building Commissioners and Local Inspectors", all municipalities are required to report to the Board the name of any individual who is appointed as a building code enforcement official. Once reported, a file is created at the Office of the Board with the individual's name and date of hire. This file serves as the individual's official record for the maintenance of his/her certification, once received. It is the responsibility of the individual seeking certification and the hiring municipality to ensure that all aspects of the certification process are met. 780 CMR R7 defines all requirements of the certification program. *Building Commissioner and Inspector of Buildings shall first be certified as a Local Inspector prior to being appointed by a municipality.*
