

Natick Conservation Commission
March 29, 2023

The Meeting was called to order at 6:00 by Acting Chair, Doug Shepard. Members present: Jeff Richards, Mike Downey, David Howe. Members absent: Matt Gardner, Chris Stillman, George Bain

Review and Approve Updated Lease Agreement with Natick Community Organic Farm

Claire Rundelli stated the only change is the new barn constructed on the property will be under the control of the nonprofit organization rather than the Town.

The Commission had no comments.

Mary Mannix wanted to clarify that this amendment is just a small piece of a twelve-page lease. Anything we do at the farm, we have to ask permission from the Commission and Town. We will be responsible for the cost of the barn building and maintaining the barn.

Mr. Shepard asked for a motion to approve and accept the Lease Amendment, Mike Downey moved, David Howe seconded, all in favor 4-0.

Mr. Shepard asked for a roll call vote:

Mike Downey, yes
Jeff Richards, yes
David Howe, yes
Doug Shepard yes

Meeting adjourned 6:25 pm.
