Sassamon Trace Golf Course

In Attendance: Kurt McDowell, Josh Belowich, Kevin Chandley, George Richards, Martin McCrory, Artie Fair,

Kevin Chandley called the meeting to order at 8:03 am

1. Kevin Chandley voted to approve March minutes and George Richards seconded. The vote to approve was 5-0-0.
2. New Business – The golf carts are expected to be delivered the first week of June. Kurt showed a sheet looking at the last recession as well as all the changes made over the years that have allowed for increased revenue. The changes allowed for an extra \$250,000 this year. The last recession in 2008 was a 5% decrease in revenue which the course would be able to withstand. Josh inquired how pace of play is monitored and Kurt explained it is mostly done when a customer calls to request a check on pace of play. He also said the new carts will allow for significantly more monitoring of pace.
3. Citizens' Concerns – None
4. Superintendent's Update – Eric sprayed the course and was able to do fairway and tee aeration with a machine borrowed from the town. This process significantly decreases water and chemical inputs needed.
5. April & FY23 Revenue Update – April rounds and revenue both increased and year-to-date is in great shape to significantly exceed budget.
6. Supporters Association Update – The Supporters are paying out 3 scholarships to high school students.
7. Topics that the chair did not reasonably anticipate - none
8. Next meeting will be held on June 15 at 8am at the Sassamon Trace Golf Course.
9. Motion to adjourn @ 8:32 by Martin McCrory and seconded by George Richards.
