Site Visit
209 N Main Street, Andover, MA 01810

*Field Trip to Shawsheen River, Andover, MA
Marland and Balmoral Dam Removal Sites*

Map of meeting location provided below agenda

This meeting will be in-person, outdoors in Andover, MA (approximately a one hour drive from Natick). It will occur rain or shine, and some moderate walking along the river is required to fully participate. Please dress for the weather and wear appropriate footwear.

Attendees who need help with transportation to the site should contact jwmartin@natickma.org by Monday, September 27, 2021. Contact 774-217-1717 if you arrive late.

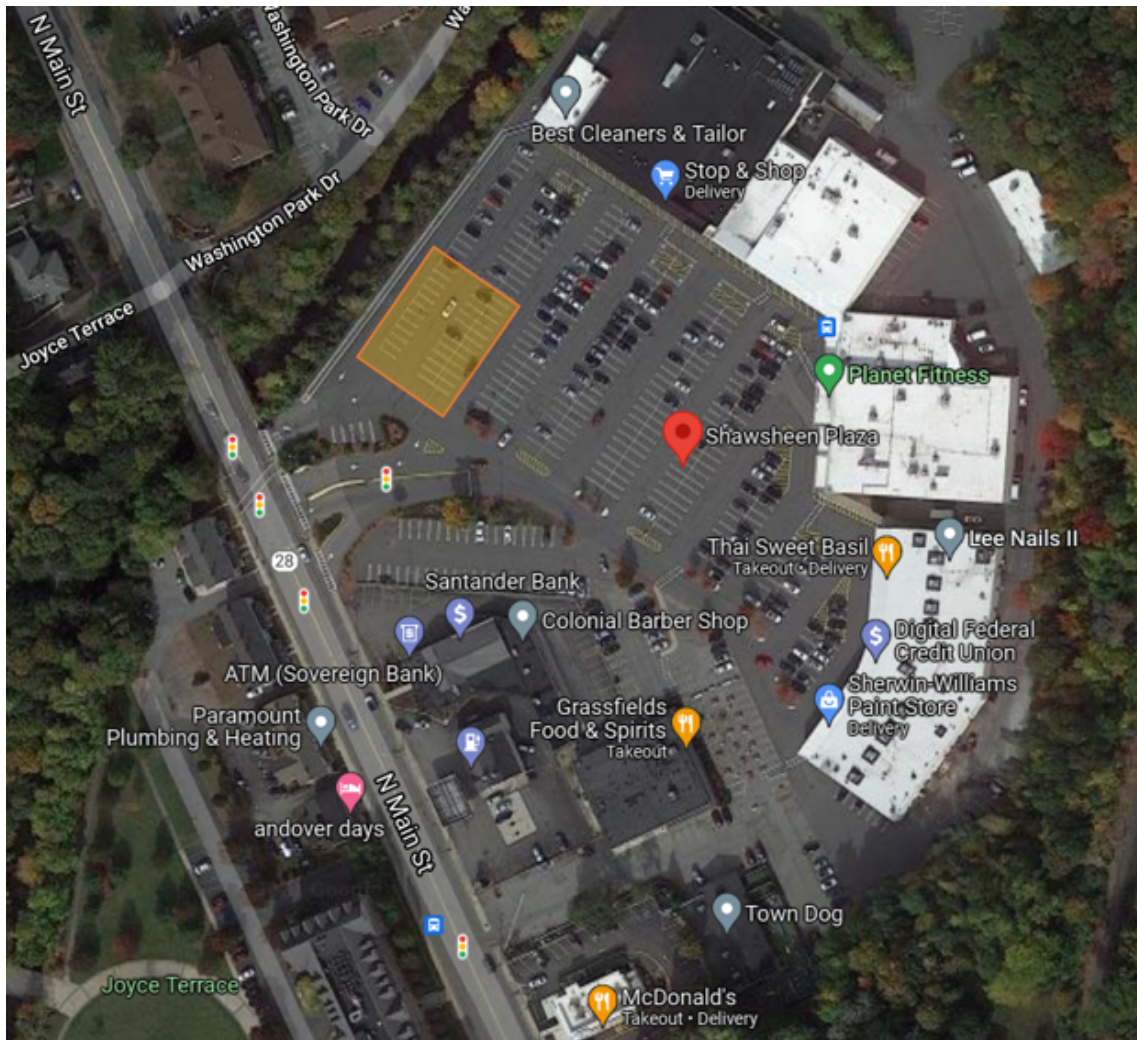

Please prepare for the meeting by watching the following presentation in advance:
