**INSTRUCTION PROCEDURES**  
**FOR**  
**SWIMMING POOL INSTALLERS**

1. **All pool installers must be licensed by the Natick Board of Health prior to any pool installations. (Annual Fee \$325.00)**
  
2. If you are applying for a customer's pool construction permit, the following must be included:
  - a) Obtain applications at the Board of Health Office and return completed in full.
  - b) Property owner's signature must appear on the bottom of both copies of the application.
  - c) Re-circulation time must be calculated for the particular pool that is being installed.
  - d) Plot plan drawn to scale showing the following:
    1. Location of all structures in regards to the pool.
    2. Distances of lot lines in regards to the pool.
    3. Location of filter and backwash pit.
    4. If not on town sewer, location of septic system.
    5. Location and type of fencing enclosing the pool.
  - e) Submit literature on the specific filter that is to be installed
  
- Note: All filters must be connected into a backwash pit, unless indicated by the Board of Health.
  
3. When plans have been reviewed and a satisfactory inspection of the property has been made, then permits will be granted and construction allowed beginning. Fees for said permits are due at this time.

**Fee Schedule: Pools 15,000 gallons and under.....\$75.00**

**Pools over 15,000 gallons.....\$200.00**

4. It is imperative that the Board of Health be notified when construction is to begin and especially when construction of the pool has been completed.
  
5. **THE POOL SHALL NOT BE FILLED WITH WATER UNTIL SATISFACTORY INSPECTIONS ARE PERFORMED BY THE ELECTRICAL INSPECTOR, BUILDING DEPARTMENT AND THE BOARD OF HEALTH.**
